AN ORDINANCE RELATING TO DANGEROUS DRUGS

ENACTED BY THE PARLIAMENT OF TUVALU

Commencement [20th October 1948]

PART I - PRELIMINARY

1 Short title

This Ordinance may be cited as the Dangerous Drugs Ordinance.

2 Interpretation

In this Ordinance unless the context otherwise requires —

“**cocaine**” means methyl-benzoyl laevo-ecgonine([a] D 20° = -16°4) in 20 per cent solution of chloroform of which the formula is $C_{17}H_{21}O_4N$;

“**coca leaf**” means the leaf of the *Erythroxylon coca* Lamarck and the *Erythroxylon novo-granatense* (Morris) Hieronymus and their varieties belonging to the family *Erythroxylaceae* and the leaf of other species of this genus from which it may be found possible to extract cocaine either directly or by chemical transformation;

“**the Commission**” means the Commission on Narcotic Drugs of the Economic and Social Council of the United Nations;

“**Convention**” means the International Opium Convention signed at The Hague on 23rd January 1912 (The Hague Convention), the International Opium Convention signed at Geneva on 19th February 1925 (The Geneva Convention No.1), and the International Convention for limiting the manufacture and regulating the distribution of narcotic drugs signed at Geneva on 13th July 1931 (The Geneva Convention No.2) as respectively amended by the Protocol;

“**conveyance**” includes ship, aircraft and any other means of transport by which goods may be brought into or taken from Tuvalu;

“**corresponding law**” means a law stated in a certificate purporting to be issued by or on behalf of the government of a country outside Tuvalu to be a law providing for the control and regulation in that country of the manufacture, sale, use, export and import of drugs and other substances in accordance with the provisions of the Single Convention or a law

providing for the control and regulation in that country of the manufacture, sale, use, export and import of drugs in accordance with the provisions of the Hague Convention, the Geneva Convention (No.1) and the Geneva Convention (No.2) as respectively amended by the Protocol; and any statement in any such certificate as to the effect of the law mentioned in the certificate or a statement in any such certificate that any facts constitute an offence against that law shall be conclusive;

“**crude cocaine**” means any extract of the coca leaf which can be used directly or indirectly for the manufacture of cocaine;

“**dangerous drug**” means any of the substances which may be from time to time subject to the provisions of this Ordinance;

“**diacetylmorphine**” means diacetylmorphine (diamorphine, heroin) having the formula $C_{17}H_{23}O_5N$ ($C_{17}H_{17}(C_2H_3O)_2 O_3N$);

“**diversion certificate**” means a certificate issued by a competent authority in a country through which a dangerous drug passes in transit, authorising the diversion of such drug to a country other than that specified as the country of ultimate destination in the export authorisation, and containing all the particulars required to be included in an export authorisation together with the name of the country from which the consignment was originally exported;

“**ecgonine**” means laevo-ecgonine ([α] D 200 = - 450 6 in 5 per cent solution of water) of which the formula is $C_9H_{15}O_3NH_2O$ and all the

derivatives of laevo-ecgonine which may serve industrially for its recovery;

“**export**” means to take or cause to be taken out of Tuvalu otherwise than in transit;

“**export authorisation**” means an authorisation issued by a competent authority in a country from which a dangerous drug is exported, containing full particulars of such drug and the quantity authorised to be exported, together with the names and addresses of the exporter and the person to whom it is to be sent and stating the country to which, and the period within which, it is to be exported;

“**the Geneva Convention (No. 1)**” means the International Opium Convention signed at Geneva on 19th February 1925;

“**the Geneva Convention (No.2)**” means the Convention signed at Geneva on 13th July 1931, being the Convention for the purpose of supplementing the Geneva Convention (No.1) and the Hague Convention;

“**the Hague Convention**” means the International Opium Convention signed at the Hague on 23rd January 1912;

“**import**” means to bring or cause to be brought into Tuvalu otherwise than in transit;

“**import authorisation**” means a licence issued by a competent authority authorising the importation of a specified quantity of a dangerous drug and containing full particulars of the drug, together with the name and address of the person authorised to import the drug and the name and address of the person from whom the drug is to be obtained and specifying the time within which the importation must be effected;

“**import certificate**” means a certificate substantially in the Form A set out in Schedule 1 issued by a competent authority in a country into which it is intended to import dangerous drugs;

Schedule 1 Form A

“**Indian hemp**” means either of the plants *Cannabis sativa* or *Cannabis indica* or any portion thereof;

“**in transit**” means taken or sent from any country and brought into Tuvalu (whether or not landed or transhipped in Tuvalu) for the sole purpose of being carried to another country, either by the same or another conveyance;

“**medicinal opium**” means raw opium which has undergone the processes necessary to adapt it for medicinal use in accordance with the

requirements of the British Pharmacopoeia, whether in powder form or granulated or otherwise, or mixed with neutral materials;

“**morphine**” means the principal alkaloid of opium having the formula $C_{17}H_{19}O_8N$;

“**the Organisation**” means the World Health Organisation; “**prepared opium**” means the product of raw opium obtained by a series of special operations, especially by dissolving, boiling, roasting and fermentation designed to transform it into an extract suitable for consumption, and includes dross and all other residues remaining after opium has been smoked;

“**the Protocol**” means the Protocol on Narcotic Drugs signed at Lake Success, New York, on 11th December 1946;

“**raw opium**” means the spontaneously coagulated juice obtained from the capsules of the *Papaver somniferum* which has been submitted only to the necessary manipulations for packing and transport, whatever its morphine content;

“**the Single Convention**” means the Single Convention on Narcotic Drugs signed at New York on 30th March 1961;

“**store**” means a place appointed by the Senior Medical Officer

for the storage of any drug to which this Ordinance applies on its arrival in Tuvalu.

3 Dangerous drugs to be dealt with through approved ports

No person shall import, export, tranship or divert dangerous drugs except through ports approved by the Minister.

PART II - RAW OPIUM, INDIAN HEMP AND COCA LEAF

4 Application of Part II

- (1) The provisions of this Part of this Ordinance shall apply to raw opium, coca leaf and Indian hemp and resins obtained from Indian hemp and preparations of which such resins form the base.

Import and export of certain substances prohibited

- (2) No person shall import or export any of the substances to which this Part applies.

5 Import and export of certain seeds prohibited

No person shall import or export any seed of the opium poppy or any seed of Indian hemp or any seed of the coca leaf or any portion of the aforesaid plants.

6 Forfeiture of articles

If any substance to which this Part applies is unlawfully imported or exported, the same shall be seized and forfeited, and shall be disposed of in any way the Customs Officer may direct, without any further proceedings.

7 Cultivation of certain plants prohibited

No person shall cultivate in Tuvalu the opium poppy or Indian hemp or coca leaf plant.

8 Offences

Every person —

- (a) who knowingly cultivates opium poppy, Indian hemp or coca leaf whether for private use or otherwise; or
- (b) found in possession of or selling, or who shall have given or sold, to any person any substance to which this Part applies;

shall be guilty of an offence under this Ordinance.

9 Power of entry and of arrest

- (1) Any police officer may, upon a warrant, enter any place in which there is a reasonable ground for suspicion that raw opium, Indian hemp or coca leaf is kept or may be found so as to constitute an offence against this Ordinance and may seize any raw opium, Indian hemp or coca leaf found there, together with baskets, jars or packages holding the same, and apprehend and detain any person suspected of owning the same.
- (2) Any police officer may without warrant apprehend and detain any person carrying or conveying any raw opium, Indian hemp or coca leaf.
- (3) Any person apprehended under the provisions of the foregoing subsections shall be taken as soon as may be possible before the court to be dealt with according to law.

10 Seizure and destruction of plants

All opium poppy, Indian hemp or coca leaf found upon any plantation, whether growing or not, may be seized and destroyed by the owner or manager or any person duly authorised by either of them.

PART III - PREPARED OPIUM

11 Importation or exportation of prepared opium prohibited

No person shall import or export any prepared opium, or any pipes or other utensils for use in connection with the smoking of opium, or any utensil for use in connection with the preparation of opium for consumption.

12 Manufacturing, selling or using prepared opium

- (1) If any person —
- (a) manufactures, sells or otherwise deals in prepared opium; or
 - (b) has in his possession any prepared opium; or
 - (c) being the occupier of any premises, permits those premises to be used for the preparation of opium for consumption or the sale of smoking or prepared opium; or
 - (d) is concerned in the management of any premises used for any such purposes as aforesaid; or
 - (e) has in his possession any pipes or other utensils for use in connection with the smoking of opium, or any utensils used in connection with the preparation of opium for smoking; or
 - (f) smokes or otherwise uses prepared opium, or frequents any place used for the purpose of opium smoking;

he shall be guilty of an offence against this Ordinance.

- (2) If any prepared opium, or any article used in the preparation of or used in connection with the smoking of prepared opium, is imported or exported or found in Tuvalu, the same shall be seized and forfeited and shall be disposed of in such manner as the Customs Officer may direct, without further proceedings.

PART IV - MEDICINAL OPIUM, MORPHINE, COCAINE AND CERTAIN OTHER DRUGS

13 Application of Part IV

- (1) The provisions of this Part shall apply to the substances for the time being specified in Part I of Schedule 2.

Schedule 2

- (2) If —
- (a) it appears to the Minister that a decision of the Commission or of the Organisation to alter any of the Schedules to the Single Convention or to apply to a substance measures of control applicable under that Convention to substances specified in Schedule 1 thereto requires the addition of a substance to, or the removal of a substance from, Part I or Part II of Schedule 2 or both the removal of a substance from Part I of that Schedule and the removal of a substance from Part II thereof; or
 - (b) it appears to the Minister probable that there will be taken such a decision as aforesaid of the Commission or of the Organisation as will require the addition of a substance to Part I of Schedule 2 and that, in the circumstances of the case, it is expedient to anticipate the decision;

he may by order make the requisite modifications in the said Schedule.

14 Importation or exportation of certain substances prohibited

No person shall import or export any substance to which this Part applies, except in accordance with sections 21 to 29.

15 Rules

- (1) For the purpose of preventing the improper use of the dangerous drugs to which this Part applies, the Minister may make rules not inconsistent with the provisions of this Ordinance for controlling the manufacture, sale, possession, distribution and custody of any or all of the dangerous drugs to which this Part relates; and in particular, but without prejudice to the generality of the foregoing power, for —

- (a) prohibiting the manufacture of any dangerous drugs to which this Part applies, except on premises licensed for the purpose and subject to any conditions specified in the licence;
 - (b) prohibiting the manufacture, sale or distribution of any such dangerous drugs, except by persons licensed or otherwise authorised under the rules and subject to any conditions specified in the licence or authority;
 - (c) regulating the issue by medical practitioners of prescriptions containing any such dangerous drug and the dispensing of any such prescription;
 - (d) requiring persons engaged in the manufacture, sale or distribution of any such dangerous drug to keep such books and to furnish such information, either in writing or otherwise, as may be prescribed; and
 - (e) requiring persons engaged in the manufacture, sale or distribution of any such dangerous drug to furnish such estimates of amounts of any such dangerous drug as are likely to be required annually.
- (2) The rules under this section shall provide for authorising any person lawfully carrying on the business of a pharmaceutical chemist and druggist in accordance with the Pharmacy and Poisons Ordinance —

Cap. 33

- (a) to manufacture at his shop in the ordinary course of his retail business any preparation, admixture or extract of any dangerous drug to which this Part applies; and
- (b) to carry on at his shop the business of retailing, dispensing or compounding any such dangerous drug;

subject to the power of the Minister to withdraw the authorisation in the case of any person convicted of an offence against this Ordinance.

- (3) Nothing in any rules made under this section shall be taken to authorise the sale or the keeping of an open shop for the retailing, dispensing or compounding of poisons by any person who is not qualified in that behalf under, or otherwise than in accordance with, the provisions of the Pharmacy and Poisons Ordinance, or to be in derogation of the provisions of the said Ordinance for prohibiting, restricting or regulating the sale of poisons.

16 Certain drugs to be deposited in store

- (1) All dangerous drugs to which this Part applies imported into Tuvalu shall be deposited at the cost, risk and peril of the persons importing the same, in such store as shall be appointed by the Minister for that purpose.
- (2) Any person in possession of any dangerous drug to which this Part of this Ordinance applies, shall keep a stock book in such form as shall be prescribed by rule made under this Part.

17 Drugs may be withdrawn on authority of the Senior Medical Officer

No dangerous drug to which this Part applies shall be delivered or withdrawn from the appointed store except on the written authority of the Senior Medical Officer or an officer authorised by him as hereinafter provided.

18 The Senior Medical Officer may delegate authority

The Senior Medical Officer may authorise in writing an officer in his department to sign the authority required by this Ordinance for the withdrawal from the store of the dangerous drugs to which this Part applies.

19 Withdrawals

No officer shall authorise the withdrawal of any dangerous drug to which this Part applies from the store, except to a person whose name appears in the Medical and Dental Register kept in pursuance of the Medical and Dental Practitioners Ordinance or who is a registered pharmacist or qualified veterinary surgeon.

Cap. 30

20 Drugs not to be kept in a place other than the store without authority

When any dangerous drug to which this part of this Ordinance applies is found in the possession of any person or kept in any place other than the appointed store, such person or the occupier of such place, unless he can prove that such drug was obtained under the authority of this Ordinance, or in accordance with the prescription of a person whose name appears in the said Medical and Dental Register, or from a person having authority to sell it, or was deposited there without his knowledge or consent, and also the owner of, or any person guilty of

keeping, the said dangerous drug, shall be guilty of an offence against this Ordinance.

21 Export of dangerous drugs

- (1) Upon the production of an import certificate duly signed by the competent authority in any country, the Senior Medical Officer may issue an export authorisation, in the Form B set out in Schedule 1, in respect of any dangerous drugs to which this Part applies referred to in the import certificate, to any person who is named as the exporter in such certificate, and is, under the provisions of this Ordinance otherwise lawfully entitled to export such drugs.

Schedule 1 Form B

- (2) The export authorisation shall be prepared in triplicate and 2 copies shall be issued to the exporter, who shall send 1 copy with the drug to which it refers, when such drug is exported.
- (3) The Senior Medical Officer shall send the third copy direct to the appropriate authority of the country of ultimate destination.
- (4) Where the intended exportation is to a country which is not a party to the Convention, it shall not be necessary to produce an import certificate as aforesaid.
- (5) In all cases it shall be in the absolute discretion of the Senior Medical Officer to issue or refuse an export authorisation, as he may deem fit.

22 Export without authorisation prohibited

No dangerous drug to which this Part applies shall be exported unless the exporter is in possession of a valid and subsisting export authorisation relating to such drug granted under this Ordinance.

23 Export authorisation to be produced

At the time of exportation of any dangerous drug, the exporter shall produce to the Customs Officer, the dangerous drug, the export authorisation relating thereto, and such other evidence as the latter may require to satisfy him that the dangerous drug is being lawfully exported to the place and person named in the authorisation which refers to it.

24 Export to be in accordance with Ordinance

No person shall export, cause to be exported, or take any steps preparatory to exporting, any dangerous drug except in accordance with and in pursuance of the provisions of this Ordinance.

25 Importation of dangerous drugs Schedule 1 Form C

- (1) An import authorisation, in the Form C set out in Schedule 1, permitting the importation of any dangerous drug specified therein, may be granted by the Senior Medical Officer, subject to such conditions as he shall deem fit, to any person who may lawfully import such drug.
- (2) When an import authorisation is issued in pursuance of subsection (1), the Senior Medical Officer shall also issue in relation to the dangerous drug intended to be imported an import certificate as set but in Form A in Schedule 1, which shall be forwarded by the intending importer to the person from whom the drug is to be obtained, and when an importer to whom an import authorisation is issued under this section intends to import the drug or drugs to which such authorisation related in more than one consignment, a separate import certificate shall be issued to him in respect of each such consignment.

Schedule 1 Form A

26 Permission to withdraw drugs from store

- (1) Upon the arrival of any dangerous drugs in Tuvalu, the person to whom such drugs are sent shall apply in writing to the Senior Medical Officer for permission to withdraw such drugs from the appointed store; and such application shall state the manner in which the drugs were imported, the number and date of import authorisation and the quantity of such drugs.
- (2) The Senior Medical Officer, or the officer authorised by him under section 18, if satisfied that the said drugs agree in all particulars with the drugs specified in the import authorisation, may grant permission, in the Form F in Schedule 1, for the removal of the said drugs from the store.

Schedule 1 Form F

27 Importation without authorisation prohibited

No dangerous drug shall be imported unless the person to whom the drug is consigned is in possession of a valid and subsisting import authorisation granted in pursuance of this Ordinance.

28 Export authorisation or diversion certificate to accompany drug

Every dangerous drug imported from a country which is a party to the Convention or the Single Convention shall be accompanied by a valid and subsisting export authorisation or diversion certificate.

29 Importation to be In accordance with Ordinance

No person shall import, cause to be imported, or take any steps preparatory to importing, any dangerous drug to which this Part applies except in accordance with the provisions of this Ordinance.

30 Exception of certain substances and preparations from certain provisions of Part IV

The provisions of sections 14, 16, 17, 18, 19, 20, 21, 22, 23,24,25,26,27,28 and 29 shall not apply to any preparation or other substance for the time being falling within Part II of Schedule 2.

Schedule 2

**PART V - DANGEROUS DRUGS IN TRANSIT AND
DIVERSION OF DANGEROUS DRUGS****31 Dangerous drug in transit**

- (1) No person shall bring any dangerous drug to Tuvalu in transit unless —
 - (a) the drug is in course of transit from a country from which it may lawfully be exported to another country into which such drug may lawfully be imported; and
 - (b) except where the drug comes from a country not a party to the Convention or the Single Convention, it is accompanied by a valid and subsisting export authorisation or diversion certificate, as the case may be.
- (2) When any dangerous drug in transit is accompanied by an export authorisation or diversion certificate and the Customs Officer has reasonable grounds for believing that such authorisation or certificate is false, or that it has been obtained by fraud or wilful misrepresentation of a material particular, the Customs Officer may seize and detain the drug to which such authorisation or certificate relates; and upon being satisfied

that such authorisation or certificate is valid, or has not been obtained by fraud or misrepresentation as aforesaid, the Customs Officer shall release the drug.

- (3) When a dangerous drug in course of transit is not accompanied by an export authorisation or diversion certificate by reason of the fact that the drug comes from a country not a party to the Convention or the Single Convention and the Customs Officer has reasonable grounds for believing it is being conveyed in an unlawful manner, or for an unlawful purpose, or is in course of transit for the purpose of being imported into another country in contravention of the laws of that country, the Customs Officer may seize and detain the drug.
- (4) When a dangerous drug in course of transit is landed or transhipped in Tuvalu, it shall remain under the control of the Senior Medical Officer and shall be moved only under and in accordance with a removal licence granted in pursuance of section 32.
- (5) Nothing in this section contained shall be deemed to apply to any dangerous drug in transit by post or in transit by air, if the aircraft passes over Tuvalu without landing; or to such quantities of dangerous drugs as may bona fide reasonably form part of the medical stores of any ship or aircraft.

32 Removal licences

- (1) No person shall —
 - (a) remove any dangerous drug from any conveyance in which it is brought into Tuvalu in transit; or
 - (b) in any way move any such drug in Tuvalu at any time after removal from such conveyance;

except under and in accordance with a licence (in the Form D set out in Schedule 1 and in this Ordinance referred to as a “removal licence”) issued by the Senior Medical Officer; and in all cases it shall be in the absolute discretion of the Senior Medical Officer to issue or refuse a removal licence as he shall deem fit.

Schedule 1 Form D

- (2) No removal licence for the transfer of any such drug to any conveyance for removal out of Tuvalu shall be issued unless and until a valid and subsisting export authorisation or diversion certificate relating to it is produced to the Senior Medical Officer; save that when the drug has come

from a country not a party to the Convention or the Single Convention this subsection shall not apply.

- (3) The provisions of this section shall not apply to dangerous drugs in transit by post.

33 Dangerous drugs not to be tampered with

No person shall cause any dangerous drug in transit to be subjected to any process which would alter its nature, or wilfully open or break any package containing any dangerous drug in transit except upon the instructions of the Senior Medical Officer, and in such a manner as he may direct.

34 Diversion of dangerous drugs

- (1) No person shall, except under the authority of a diversion certificate in the Form E in Schedule 1, cause or procure any dangerous drug brought into Tuvalu in transit to be diverted to any destination other than that to which it was originally consigned; and in the case of any dangerous drug in transit accompanied by an export authorisation or a diversion certificate issued by a competent authority of some other country, the country stated in such export authorisation or diversion certificate, as the case may be, to be the country of destination, shall be deemed to be the country to which the drug was originally consigned.

Schedule 1

Form E

- (2) The Senior Medical Officer may, in his absolute discretion, issue a diversion certificate in respect of any dangerous drug in transit, on the production to him of a valid and subsisting import certificate issued by a competent authority in the country to which it is intended to divert the drugs; or, if that country is not a party to the Convention or the Single Convention, on such evidence as may satisfy him that the drug is to be sent in a lawful manner and for a proper purpose.
- (3) A diversion certificate shall be issued in duplicate and 1 copy thereof shall accompany the drug when it is exported, and another copy shall be despatched by the Senior Medical Officer to the proper authority in the country to which the dangerous drug has been diverted.
- (4) Upon the issue of a diversion certificate, the export authorisation or diversion certificate (if any) accompanying the drug on its arrival in Tuvalu shall be detained by the Senior Medical Officer and returned to the authority issuing such authorisation or diversion certificate, together with

a notification of the name of the country to which such drug has been diverted.

PART VI - LEGAL PROCEEDINGS, PENALTIES AND GENERAL

35 Application of Customs Ordinance

- (1) Articles the importation of which is prohibited by this Ordinance and, to the extent to which their importation is prohibited, articles the importation of which is restricted by this Ordinance, shall be deemed to be goods the importation of which is prohibited under the Customs Ordinance; and, subject to the provisions of this Ordinance, the said Ordinance and any Ordinance amending the same shall apply to such articles.

Cap. 55

- (2) If any goods the exportation of which is prohibited or restricted by this Ordinance are exported in contravention thereof, or brought to a wharf or other place to be shipped in any conveyance, the exporter or his agent shall be liable for each offence to forfeit either treble the value of the goods or \$200, at the option of the Customs Officer.

36 Search warrant

- (1) A magistrate, if satisfied by information on oath that any drug or other substance to which this Ordinance applies is being unlawfully kept, landed, conveyed or sold in contravention of this Ordinance, in any place, whether a building or not, or in any ship not having the status of a ship of war, or in any vehicle, may grant a warrant to enter at any time, and if needs be by force, on Sundays as well as any other days, the place, ship or vehicle named in such warrant, and every part thereof to examine and to search for any such drug or other article unlawfully kept therein, and to demand from the owner or occupier thereof the production of the authority for being in possession of the same.
- (2) When the officer or other person executing such warrant has reasonable cause to believe that any drug or other article to which this Ordinance applies, found by him in any place, ship or vehicle, is being kept, conveyed, landed or sold in contravention of this Ordinance, he may seize and detain the same until the court has decided whether the same is liable to be forfeited or not.

- (3) Proceedings in the court shall be commenced as soon as possible after the seizure.

37 Exemption from liability

Any person acting under the aforementioned warrant shall not be liable to any suit for seizing or detaining any drug or other article to which this Ordinance applies.

38 Powers of inspection and search

- (1) Any medical officer, officer of customs or police officer, or other person authorised in that behalf by any general or special order of the Senior Medical Officer, shall, for the purposes of this Ordinance, have power to enter the premises of any person carrying on the business of a producer, manufacturer, seller or distributor of any drug to which this Ordinance applies, and to demand the production of, and to inspect, any books or documents relating to dealings in any such drugs, and to inspect any stocks of any such drugs.
- (2) If a magistrate is satisfied by information on oath that there is a reasonable ground for suspecting that any drugs to which this Ordinance applies are, in contravention of the provisions of this Ordinance or any rules made thereunder, in the possession of or under the control of any person in any premises, or that any document relating to, or connected with, any transaction or dealing which was, or any intended transaction or dealing which would, if carried out, be, an offence against this Ordinance, or in the case of a transaction or dealing carried out or intended to be carried out in any place outside Tuvalu, an offence against the provisions of any corresponding law in force in that place, is in the possession of, or under the control of, any person in any premises, he may grant a search warrant authorising any police officer named in the warrant to enter, if need be, by force, the premises named in the warrant, and to search the premises and any person found therein, and if there be reasonable ground for suspecting that an offence has been committed against this Ordinance in relation to any such drugs which may be found in the premises or in possession of any such persons, or that any document which may be so found is such a document as aforesaid, to seize and detain those substances and that document as the case may be.
- (3) If any person wilfully delays or obstructs any person in the exercise of his powers under this section, or fails to produce, or conceals, or attempts to conceal, any such books, drugs, stocks or documents as aforesaid, he shall be guilty of an offence under this Ordinance.

- (4) Where any search is made upon a female it shall be conducted by a female.

39 Offences and penalties

- (1) Any person who —
- (a) acts in contravention of or fails to comply with any of the provisions of this Ordinance or any rules made under this Ordinance; or
 - (b) acts in contravention of or fails to comply with the conditions of any licence issued or any authority granted under or in pursuance of this Ordinance; or
 - (c) for the purpose of obtaining for himself or for any other person, the issue, grant or renewal of any such licence or authority as aforesaid, makes any declaration or statement which is false in any particular, or knowingly utters, produces or makes use of, any such statement or declaration or any document confirming the same; or
 - (d) in Tuvalu aids, abets, counsels or procures the commission in any place outside Tuvalu of any offence punishable under the provisions of any corresponding law in force in that place, or does any act preparatory to, or in furtherance of, any act which, if committed in Tuvalu, would constitute an offence against this Ordinance;

shall be guilty of an offence under this Ordinance.

- (2) Every person guilty of an offence under this Ordinance shall, in respect of each offence for which no penalty is otherwise prescribed, be liable —
- (a) on conviction by the High Court sitting with assessors, to a fine of \$2000 and to imprisonment for 10 years; or
 - (b) on summary conviction, to a fine not exceeding \$1000 and to imprisonment for 5 years;

and shall in every case, on conviction for the offence, forfeit to Her Majesty all articles in respect of which the offence was committed; and the court before which the offender was convicted may order the forfeited articles to be destroyed or otherwise disposed of, as the court deems fit.

- (3) No person shall be proceeded against under subsection (1) (a) unless the proceedings are instituted by, or with the consent of, the Attorney-General; and no person, on conviction for any offence of contravening or failing to comply with any rules made under this Ordinance, relating to the keeping of books, or the issuing or dispensing of prescriptions

containing drugs to which this Ordinance applies, shall be sentenced to imprisonment without the option of a fine, or to pay a fine exceeding \$100, if the court dealing with the case is satisfied that the offence was committed through inadvertence and was not preparatory to, or committed in the course of, or in connection with, the commission of, or intended commission of, any other offence against this Ordinance.

- (4) If any person attempts to commit an offence against this Ordinance, or solicits or incites another person to commit such an offence, he shall, without prejudice to any other liability, be liable to the same punishment and forfeiture as if he had committed an offence against this Ordinance.
- (5) When a person convicted of an offence against this Ordinance is a company, the chairman and every director and every officer concerned in the management of the company shall be guilty of the like offence, unless he proves that the act constituting the offence took place without his knowledge or consent.
- (6) Notwithstanding any enactment prescribing the time within which such proceedings may be brought, any such proceedings for an offence against this Ordinance may be brought either within the time so specified or 3 months from the date on which evidence sufficient in the opinion of the Attorney-General to justify a prosecution for the offence comes to his knowledge, whichever is the longer; and for the purposes of this subsection, a certificate purporting to be signed by the Attorney-General as to that date on which such evidence as aforesaid comes to his knowledge, shall be conclusive evidence thereof; and this provision of this subsection shall apply to proceedings for attempting or soliciting or inciting another person to commit such an offence, as they apply to proceedings for such an offence.

40 Power of arrest

Any officer of customs or police officer may arrest without warrant any person who has committed, or attempted to commit, or is reasonably suspected by an officer of customs or police officer of having committed or attempted to commit, an offence against this Ordinance, if he has reasonable ground for believing that that person will abscond unless arrested, or if the name and address of that person are unknown to him and cannot be ascertained by him.

41 Reward to informer

The court before which any person is convicted for any offence under this Ordinance may direct a portion of the fine actually paid into court, and not exceeding one-half, to be paid to an informer.

42 Certificate as evidence

In any proceedings under this Ordinance the production of a certificate purporting to be signed by a government chemist shall be prima facie evidence of the facts therein stated.
