PROHIBITION OF IMPORTATION OF PLANTS ORDER

L.N. 7/77, L.N. 9/79

PLANTS ORDINANCE

ENACTED BY THE PARLIAMENT OF TUVALU

Commencement [Date]

I Citation

This Order may be cited as the Prohibition of Importation of Plants Order.

2 Prohibition of importation of certain plants and of all plants and off all plants from certain countries

Subject to the provisions of this Order the importation is prohibited of —

- (a) Any plant known as or belonging to the species of any of the following families: —
 - (i) Arecaceae (Palmae) -Palms
Musaceae -Bananas
Araceae -Taro
Pandanaeae -Pandanus
Moraceae -Breadfruit
Caricaceae -Pawpaw
 - (ii) The rubber plant *Hevea brasiliensis*.
- (b) All plants from the following countries or regions -

American Samoa	New Hebrides
Caribbean (W. Indies)	Niue
Cook Islands	Papua New Guinea
Florida	Philippines Republic
French Polynesia	Solomon Islands
Ghana	South India
Gilbert Islands	Sri Lanka
Guam	Togoland
Guyana	Tokelau Islands
Home Island (Futuna - Alofi)	Tonga
Indonesia	Trust Territory of the Pacific Islands
Malagasay Republic	Venezuela
Malaysia	Wallis Island
Marquesas Islands	Western Samoa
Nauru	

3 Exemptions from prohibition

The prohibition of the importation of plants shall not apply to any goods of the following descriptions —

Tinned fruits and vegetables

Dried fruit

Frozen vegetables

Rice (dehusked)

Flour, cereals, biscuits

Nuts (for consumption)

Tea, coffee, cocoa, sugar (for consumption)

The leaf of the pandanus when woven into a mat

Cooked plant material (for consumption)

Goods imported by or with the authority of an Agricultural Officer for purposes of plant research and development under the Ministry

4 Restrictions on importation of plants

Any plant not specified herein other than a plant whose importation is prohibited by or under this Order which any quarantine officer believes capable of carrying plant pest or disease may be seized at the port of importation by a quarantine officer and retained by him until the Agricultural Officer has determined that the said plant shall be fumigated, destroyed or returned to the person to whom it is consigned or by whom it is imported.
