EMPLOYMENT (IONIZING RADIATIONS) (PROTECTION OF WORKERS) REGULATIONS

L.N. 48/66

EMPLOYMENT ORDINANCE

ENACTED BY THE PARLIAMENT OF TUVALU

Commencement [Date]

1 Citation

These Regulations may be cited as the Employment (Ionizing Radiations) (Protection of Workers) Regulations.

2 Interpretation

In these Regulations, unless the context otherwise requires —

“**Authority**” means the person for the time being performing the duties of the Commissioner;

“**ionizing radiations**” means electromagnetic radiation (that is to say, X-ray or gamma ray protons or quanta) or corpuscular radiation (that is to say, alpha particles, beta particles, electrons, positrons, protons, neutrons, or heavy particles) being electromagnetic radiation or corpuscular radiation capable of producing ions and emitted from a machine or apparatus which is intended to produce ionizing radiations, or from a machine or apparatus in which electrons are accelerated by a voltage of not less than 5 kilovolts;

“**proprietor**” in relation to an undertaking, includes any person for the time being having the management or capital, or receiving the profits, of the business carried on in such undertaking, or employing any person engaged in such business.

3 Notification of commencement of work involving exposure to radiation

Every proprietor of an undertaking shall before commencing therein any work involving the possible exposure to ionizing radiations in the course of his work of any person employed or engaged in such work shall give to the Authority not less than 1 month's notice in writing of the date of the intended commencement of such work, and shall furnish to the Authority such particulars as the Authority may require.

4 Notification of date of installation of machines or apparatus producing radiation

Without prejudice to the operation of regulation 3, any person who proposes to install, or cause to be installed, on any premises used for the purposes of an undertaking, for use in such undertaking, any machine or apparatus which is capable of producing or emitting ionizing radiations shall give to the Authority not less than 1 month's notice in writing of the proposed date of the installation.

5 Offences

Any person who contravenes any of the provisions of regulation 3 or regulation 4 shall be liable to a fine of \$100 and to imprisonment for 6 months.
